

REMARKS

The specification has been amended to insert a statement that the present application is the National Stage of International Application No. PCT/GB2003/04039, filed September 19, 2003.

It is submitted that no new matter has been introduced by the foregoing amendments. Approval and entry of this Preliminary Amendment prior to examination on the merits, and allowance of all the claims, respectfully, are requested. If the Examiner has any questions regarding this paper, please contact the undersigned attorney.

Respectfully submitted,
